

Dr. NIRDOSH

Dr. Nirdosh is London's Cosmetic Doctor to the Stars. A pioneer, innovator, voice of authority on how to stop the ageing process and best selling author, Dr. Nirdosh has revolutionised our understanding of how to reverse ageing. Her discovery of 'Growth Hormone' as the magic bullet to youth led her to develop a ground breaking body plan that makes you younger in just 42 Days! Celebrities prescribe to the Dr. Nirdosh Body Plan and use her unique system as a daily lifestyle to help their youth gene flourish.

Dr. Nirdosh theorises that ageing is a disease and can be stopped in its tracks with the correct medication. Dr. Nirdosh worked over a decade to develop a range of potent skin treatments that protect against skin ageing on both outer and inner cellular level. She introduced her first 'miracle youth capsule' in 2008; youth pills that can block ageing without going under the knife. Hailed as 'clever cosmetics' by TATLER Dr. Nirdosh Cosmetic Youth Pills are now regularly prescribed to royal families and celebrities in over twelve different countries.

The Dr. Nirdosh Clinic Harley Street is the name renown for cosmetic non-surgical facelifts. The Clinic treats royalty and high profile men and women internationally, who regularly fly into London seeking her special injectable nip and tuck. Known for creating the most beautiful and sophisticated faces and pushing the boundaries of cosmetic perfection, Dr. Nirdosh has established a unique style that is identified and admired all over the world. Dr. Nirdosh's attention to detail makes all the difference.

"Women were made to be beautiful; I just give them a little help getting there. Subtle changes to the face are paramount to perfection. Time has no limits with beauty and I apply this principle to all clients giving them complete and utter devotion"
